Series: 2 - Standing

The Biathlon score card presents accurate hit/miss and timing information in the results table. The graphic plot of each series, presents the location of the shots on each of the five targets. Please observe that the accuracy of the plotting has some limitations due to image resolution and/or printer quality. These results are anyway unofficial since only the final output from the timing system can provide complete and correct competition results.

Series: 2 - Standing

The Biathlon score card presents accurate hit/miss and timing information in the results table. The graphic plot of each series, presents the location of the shots on each of the five targets. Please observe that the accuracy of the plotting has some limitations due to image resolution and/or printer quality. These results are anyway unofficial since only the final output from the timing system can provide complete and correct competition results.
